- Microsoft Office

SOFT SKILLS

- Critical and analytical thinking
- Time management
- Detail oriented
- Communication
- Coordination
- Vision and creativity

WORK EXPERIENCE

Corporate Intelligence Agency

October 2023-Now, Bucharest

- I am part of the creative team of the company, where I help designing **logos** and **user interfaces** for various other companies or apps, **materials for print (rollup banners, business cards, brochures)**
- New skills developed: **Creative thinking, working under time pressure, Adobe InDesign** and **Figma**.

Nexttech

August-October 2023, Cluj-Napoca

- Within the company, I was part of the Java Fullstack Internship program where I learned to work according to the **SCRUM methodology** and how to use multiple frameworks like **Spring, Mockito, Lombok** and **Angular**.
- **Analytical thinking, solving problems**, time management, **git commands** and **versioning** were fostered.

Working Student at Robert Bosch

July-November 2021, Cluj-Napoca

- I worked as a Sample order expert and my responsibility was to work with excel spreadsheets that were enhanced by utilizing formulas to create labels for particular sample components and paperwork for the example orders using internal technologies.
- Skills improved: project management, **microsoft excel, OOP concepts, functional programming concepts**.

EDUCATION

"Babeş-Bolyai" University, Faculty of Mathematics and Computer Science (German department)

2020-2023, Cluj-Napoca

"Johannes Honterus" Highschool

2016-2020, Braşov

ADDITIONAL ACTIVITIES

- **Developing my own website: www.victorgreavu.com using pure HTML, CSS and JavaScript and Machine Learning Algorithms**
- Designing the UI of the Seventh's Day Adventist Church from Cluj-Napoca in Adobe XD
- Designing for **3 years** various graphical elements for the AMiCUS student association events and festivals (including **banners, posters, flyers, logos, animations** etc)
- Designed the branding manual of AMiCUS student association
